**Educational Support
Personnel**

Handbook

2021 – 2022

Revised August 18, 2021

INTRODUCTION

Educational Support Personnel (ESP) include classroom assistants, secretarial staff, custodians, bus drivers, registered nurses, kitchen and food service staff, technical assistants, and other non-certified staff. ESP employees play an important role in the operations of Gower School District 62. ESP employees maintain our schools, support students, teachers and administrators, and transport, provide meals, and look after the health and safety of students.

The ESP Employee Handbook describes many of the current practices, procedures, and policies that are followed by the District regarding ESP employees. The provisions in this Handbook apply to all ESP employees in the District. The 2020 – 2021 Handbook supersedes all previously issued Handbooks. It is designed to provide information regarding working conditions, employee benefits, performance evaluations, and other policies/procedures affecting employment. It is not, however, a complete description of all District benefits, policies, and procedures.

Please read this Handbook carefully, as it describes many of your responsibilities as an employee. The District reserves the right to modify, supplement, and/or eliminate benefits, policies and procedures described within. The contents of this Handbook constitute only a brief summary of the personnel policies and employment regulations in effect at the time of publication. In the event that a Board of Education policy and/or applicable law conflicts with a provision in this handbook, the policy and /or law shall control. Copies of the Board Policy Manual can be found on the school and the District webpages ~ www.gower62.com. The District may also alter or rescind any policy or practice, or adopt new policies or practices, at any time, with or without notice. It is the responsibility of the employee to read, understand, and follow all Board of Education policies.

The Handbook is not intended to nor does it create a contract, obligation, and/or guarantee of any sort on the part of the District or the Board of Education. ESP employees are employed on an “at will” basis and for no specific term.

Finally, if there are any questions or concerns about the Handbook or any of the policies and procedures governing your employment as an ESP employee for Gower School District 62, it is your responsibility to seek out your immediate supervisor or contact Rebecca Laratta in the District Office for clarification and answers.

Required Trainings

In Illinois, there are several trainings that are required by law on an annual basis. Please note that the required trainings could change depending on what new laws are passed. Each year, the staff will receive a memo with a sign-off form to indicate awareness and understanding of the required trainings for employment in the District. Some training will be offered online through GCN and some training will be offered through meetings on-site. If the staff member is absent, it is the responsibility of that staff member to check with his/her supervisor to make-up the training. It is the staff member's responsibility to complete the required online trainings on time.

The supervision of every employee shall include continuing evaluation and constructive suggestions towards the improvement of performance. In addition to the continuing evaluation, there shall be a formal evaluation at least once each school term. The evaluation shall include, but not be limited to work responsibilities, quality, job knowledge, judgment, initiative, cooperation, conduct, and attendance. Hotline number is **1-800-25-ABUSE (1-800-252-2873)**. The employee shall also promptly notify the Superintendent or building Principal of suspected abuse or neglect. (Policy 5:90)

Voluntary Resignation

Employees must provide at least two (2) weeks notice of resignation. In most cases, employees who resign will be permitted to work through the effective resignation date. If the District determines that allowing an employee to work through the resignation date will have an adverse affect on the District, the period of notice may be shortened and the employee could be terminated immediately.

Chain of Command

All ESPs are expected to follow the chain of command and present any suggestions, questions, or concerns to their immediate supervisor before approaching another administrator.

Discipline, Suspension, and Termination

The District may terminate an ESP at any time and for any reason, subject to Illinois and federal law. The recommendation to discharge an employee may be initiated by the immediate supervisor.

Reduction in Force (RIF)

If a full-time ESP employee's position is being eliminated by the Board as a result of a reduction-in-force decision to either decrease the number of employees or to discontinue a particular type of ESP service, written notice, together with a letter of honorable dismissal and the reason therefore, will be issued to the employee. Seniority within the ESP job categories will regulate the order of reduction-in-force. Any vacancies during the recall period established under Illinois law shall be offered to the full-time employees, who were reduced-in-force from that category of position in the reverse order of the reduction, provided they are qualified to hold such positions.

Employees shall be deemed to have waived their recall rights and will no longer be eligible for any other vacant positions that become available during the recall period if they fail to accept a vacant position offered to them within the administratively-established deadlines.

COMPENSATION

Payroll

Wages shall be paid semi-monthly on the 15th and the last day of each month. If such days fall on a weekend or during a holiday vacation period, payments shall be on the last workday before such dates. Payment is based on a timesheet that records actual hours worked. It is each employee's responsibility to submit an accurate timesheet to his/her supervisor.

Overtime

Overtime is limited. It must be pre-approved in writing by a direct supervisor.

Direct Deposit

Direct deposit of paychecks is available by completing the necessary forms. Please see Brian Riegler in the District Office for further information.

Required Benefits

- Illinois Municipal Retirement Fund (IMRF): All employees who meet the requirements must be enrolled in the IMRF pension system. The required contribution rate is 4.5% of total creditable earnings. The entire 4.5% retirement contribution is sheltered from current year taxes. The District provides workers with compensation benefits through its insurance plan for injured employees. You must also notify your immediate supervisor. Failure to report a compensable accident on a timely basis as described above may result in disciplinary action. The paid holiday shall occur during the first full day of Parent/Teacher Conferences scheduled in the fall of the school year. No holiday pay will be provided when Veteran's Day falls on a weekend or during a period of time when school is not scheduled to meet.

Vacation

There are no vacation benefits for 10-month ESP. A copy of the school calendar is provided to staff annually and ESP should plan any vacation trips so as not to interfere with the school calendar dates and job responsibilities.

After a year of continuous employment, 12-month, full-time employees are eligible for vacation on the basis of complete fiscal quarter years worked. Vacation shall be 2 ½ days per quarter, except where a longer period is specified in the contract or employment agreement. One day of paid vacation will be provided for each additional year of employment to a maximum of 15 days.

After 15 years of continuous, full-time service, five additional days of vacation will be provided. This additional week of vacation shall be taken during the winter holiday vacation period, unless other time arrangements are approved by the Superintendent.

Requests for vacations shall be submitted to the employee's direct supervisor and must be approved by the Superintendent or Designee.

Vacation days must be used within the District's fiscal year—July 1 – June 30 and may not be carried over to the next year without the expressed, written consent of the Superintendent. Any days carried over must be used by December 31 of the following school year.

E-Learning/Emergency School Closure

On Dec. 18, 2018, the Board of Education approved the recommendation to utilize eLearning Days in place of what would otherwise be used as Emergency Closure Days. This is an exciting opportunity for Gower School District and was made possible by the collaboration between our staff, our administrative team and our parent representatives on the Board. ESP staff are allowed to use a benefit day as applicable and available and when approved by their direct supervisor or Superintendent. Supervisors may modify the work schedule for ESP staff on eLearning Days and, in an effort to make up time for ESP staff as a result of an eLearning Day as needed, additional work days (full or half days) may be added to the calendar (e.g. District training, extended job related tasks, etc.)

ESP Longevity Pay and Retirement Notification Incentive Plan

Gower Educational Support Personnel (ESP) make up an important part of our school district and are comprised of a variety of positions and job categories. Past practice has been to recognize and award the longevity of our ESP as follows:

- \$500.00 paid in two equal installments on Dec. 15th and June 15th during the 5th consecutive year of employment with the district.
- \$1,000 paid in two equal installments on Dec. 15th and June 15th during the 10th consecutive year of employment, and every subsequent 5th consecutive year (e.g. 15, 20, 25, etc.) of employment with the district.

It is the recommendation of the Superintendent of Schools to continue this Longevity Pay Incentive Program and to adopt the following additions to the program:

- \$1,000 Retirement Notification Incentive paid no later than June 30th for ESP employees that meet the following qualifications:
 - Have a minimum of 10 consecutive years of employment with the district at the time of retirement
 - Provide written notice of intent to retire which includes a resignation date of retirement from the

- Retires at the end of the designated school term or school year as determined by employees regular work schedule
 - Notification is irrevocable excepting a written request for withdraw notice which may be submitted to the Board for consideration and for reasons limited to a major life change. The Board has full discretion regarding any such request and the Board's decision is final.

Family Medical Leave Act (FMLA)

Full-time ESP are eligible for medical and/or family leave in accordance with the provisions in the Family and Medical Leave Act (FMLA) of 1993 (i.e., any ESP who has been employed by the Board for at least 12 months and has worked at least 1,250 hours during the preceding 12 months). Such leave is unpaid unless accumulated sick leave or personal leave is available to the ESP for the reason in which FMLA leave is requested. If available, such paid leave must be used concurrently with FMLA leave. The total FMLA leave cannot exceed twelve (12) weeks in any 12-month period, as calculated under the "rolling" 12-month period measured backward from the date an ESP uses any FMLA leave. A minimum of thirty (30) days written notice to the Superintendent is required before a foreseeable FMLA leave is to begin. (Policy 5:185)

Insurance

Employees scheduled to work 30 hours or more per week on a 10 or 11-month basis are eligible for single health/dental/life insurance. The District pays for 100% of the premium if the employee elects single HMO coverage. If PPO single is selected, the employee contributes \$25 per month to the total cost of the premium(s) selected. No insurance benefits are available for employees scheduled to work less than 30 hours per week. Employees working 30 hours or more per week may elect to ensure both their dependent child(ren) and spouse. If an employee elects to insure their dependent child(ren) and/or spouse, the employee is responsible for 100% of dependent premium payment.

Employees scheduled to work 37.5 hours per week or more on a 12-month basis may elect family health/dental insurance. If the employee selects HMO coverage, the District covers 70% of the premium cost and the employee pays the remaining 30%. If the employee selects PPO coverage, the District pays for 70% of the premium cost and the employee pays the remaining 30% plus \$25 per month.

Court Duty

The District will pay full salary during the time an employee is on court duty. The District will deduct the court duty remuneration, less mileage and meal expenses, from the employee's compensation. An employee should give at least 5 days prior notice of pending court duty to the District.

Temporary ESP Employees

Temporary ESP employees are hired on a short-term basis or for a specific project (e. g., substitutes, summer help, etc.). A temporary employee receives no benefits with his/her position. Generally, a temporary position will not exceed two (2) calendar quarters.

WORK ENVIRONMENT

Professional Attire

All employees are expected to wear attire that contributes to the professional environment of the District. All adults are role models for our students. Trousers, skirts, dresses, and shirts are appropriate, however sweatpants, form-fitting fabrics (i.e. spandex), tank tops, halters, and half-shirts are not. Apparel must be neat, clean, and in good repair. Good judgment regarding work clothing and accessories should be used at all times. Mobile Phone Use

The use of a mobile phone (cell phone) during work hours is prohibited, except as required by the District to perform job responsibilities or in the instance of a personal emergency. Cell phones may be used during an employee's break time or lunch.

Student/Staff Interactions

The District encourages all employees to actively support the academic progress and development of each student. Staff members, however, should be careful to avoid excessive attention to a particular student or students to avoid the appearance of favoritism or differential treatment.

ESP employees should limit all communication and physical contact with a student to that which is appropriate to the age and maturity of the student. Social interaction between employees and students which is not connected with school or school-related activities should be avoided when the parents or guardians of the students are not present.

Harassment

No person, including a District employee or agent, or student, shall harass or intimidate another person based upon a person's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status. The District will not tolerate harassing or intimidating conduct, whether verbal, physical, or visual, that affects tangible benefits of employment or education, the unreasonably interferes with a person's employment or educational performance, or that creates an intimidating, hostile, or offensive workplace or educational environment.

The District shall provide employees an employment environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct, or communications constituting sexual harassment as defined and otherwise prohibited by Illinois and federal law. A violation of this policy may result in discipline, up to and including dismissal. (Policy 5:20)

Employees should report claims of sexual harassment to either the Nondiscrimination Coordinator (Assistant Superintendent, Rebecca Laratta) or utilize the reporting provisions within Board Policy 2:260, Uniform Grievance Procedure, and report incidents of harassment to the District's Complaint Managers (Brian Riegler or Rebecca Laratta). Complaints of sexual harassment should be filed as soon as possible, while facts are known and potential witnesses are available.

The District may direct an employee to undergo drug and alcohol testing if reasonable suspicion exists that this policy has been violated. An employee who violates this policy may be subject to disciplinary action, including immediate termination.

Employees shall not engage in any other employment or in any private business during regular working hours. General Personnel

Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning September 1 and ending August 31 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.
2. The employee is a full time teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered service member.

4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as

provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.
